Re Application of:
Louise Elizabeth Donnelly et al.

Serial No.: 09/694,108

Group Art Unit: 1614

Filing Date: October 19, 2000

Examiner: Unassigned

Title: ADMINISTRATION OF RESVERATROL TO TREAT INFLAMMATORY
RESPIRATORY DISORDERS

INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

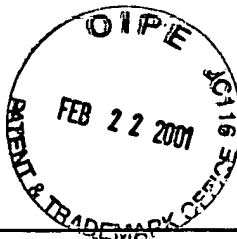

This is an Information Disclosure Statement submitted for the Examiner's consideration. Applicants respectfully request that the Examiner review and make of record the references identified below.

Forms PTO-1449 listing the references accompany this paper. Applicants would appreciate the Examiner's initialing and returning the forms to indicate that the references have been reviewed and made of record. The references are as follows:
